Paper

Paper/Cardboard/Woodchips
We have two facilities that collect paper for recycling: One is the Pinetop-Lakeside Sanitary District's "Digester" in Lakeside that composes Paper/Cardboard, Woodchips and Dewatered Bio Solids for high quality compost that will be sold to the public. Tours of the digester are available upon request. Contact PLSD at 368.5370 ext. 227 for more info. The other is the Catalyst Paper Corporation formally known as Abitibi Paper Mill that processes newspaper and magazines to make paper. The 250 bone dry tons of waste recycled paper fibers generated daily by Catalyst Paper will now be sent to the new bio mass facility, Snowflake White Mountain Power, SWMP, as additional fuel for their boiler used to produce electricity. Go to http://www.nzlegacy.com/biomass.htm for more info.

Paper/Cardboard for Pinetop-Lakeside Sanitary District:
Paper includes any junk mail, cardboard boxes, milk and other cardboard containers, cereal boxes, paper towels, towel rolls, newspapers . . . There are Waste Management Bins for Paper products & Cardboard at various businesses and throughout Navajo county. If you have a business and an account with Waste Management you can get a free bin (there are five sizes to choose from, 2,3,4,6, & 8 yards. The 2 yd bin is the size of about 2 small desks and the 8 about 4 small desks). These bins will be emptied once even twice per week if needed. Contact Pinetop-Lakeside Sanitary District for a free bin at 368.5370 ext. 227.

If you are a business and have a contract with Waste Management, Contact Phil Hayes at Pinetop-Confidential Paper: Contact Pinetop-Lakeside Sanitary District located at the end of Alisa Lane (off Hansen Lane) in Lakeside at 368.5370 ext. 227 M-F from 7:30 - 3:30 PM to let them know you are coming and you can watch your paper as it's loaded into the digester. There are law offices, the Blue Ridge School System & others bringing their confidential paper there. Just bring your confidential paper to PLSD: you don't have to shred it.
Mostly Navajo & Some Apache County Recycling

Waste Management Bins for Paper Recycling open to the public:

To stop Junk Mail:

Write to Direct Marketing Association to activate the mail preference service for and include your Name, spelling variations you see on junk mail, address, city, state, zip and your signature. It may take a few months before your name is removed from many of the national mailing lists but it will be good for up to five years. If you still receive junk mail, contact the mail-order companies directly.

You can also go to: www.proquo.com to stop junk mail.

To stop Credit Card offers: www.optoutprescreen.com

To stop catalogs or select only the ones you want: www.catalogchoice.org

For Recycling Grants: go to www.azdeq.gov
ADEQ Brownfield Coordinator Arcelious Stephens, Res 1.800.234.5677, stephens.arcelious@azdeq.gov; www.azdeq.gov & Laura Newman, ADEQ Recycling & Education Coordinator, 800.234.5677 and newman.laura@azdeq.gov.
Local contact: Byron James 928.337.3565 St. John’s; james.byron@azdeq.gov ADEQ will also look at old gas tanks and toxic sites on land to determine how and if they can help clean it up.

AZ Clean & Beautiful, ACB, contact Linda Stiles @ 602.262.2532 & acblitterfree@juno.com

Things to consider before you purchase:
1. Do I really need this?
2. Can I reuse, barter, or borrow this item instead of buying it new?
3. Is this purchase in alignment with my values?
